***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance: The innovation distinction that makes the claimed invention allowable is the combination of the different system units used in the analysis of the tubular structure of an object, wherein the final analysis steps consist of indicating whether or not the position of the center line displayed on both of the reference image and the curved reformatted image is acceptable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
